2016: FREQUENCY OF PENSION PAYMENT.

### About BudgIT

BudgIT is a civic organisation driven to make the Nigerian budget and public data more understandable and accessible across every literacy span. BudgIT's innovation within the public circle comes with a creative use of government data by either presenting these in simple tweets, interactive formats or infographic displays. We have a goal to use creative technology to intersect civic engagement and institutional reform.

Disclaimer: This document has been produced by BudgIT to provide information on budgets and public data issues. BudgIT hereby certifies that all the views expressed in this document accurately reflect our analytical views that we believe are reliable.

The report does not comment on the quality of capital infrastructure in states but notes that the protracted opacity in state finances might have hindered a fairer and a more objective assessment.

Whilst reasonable care has been taken in preparing this document, no responsibility or liability is accepted for errors or for any views expressed herein by BudgIT for actions taken as a result of information provided in this Report.
